**Hello Cindy, Yes I need something else from you.**

**OK will add the Superfund Gold King Mine account....but you need to provide me with the account number (s)**

**you want me to add to their PPL favorites, which will also be use on their travel.**

**I know its 2015 T 06L A6LS, I need the following PRC CODE = ?? and the Action Code = ??.**

**It would be helpful and speed things if I had the employees PPLID.**

**The SSID was establish in COMPASS today, so it's going to be till tomorrow, when I can add the accounts into their PPL favorites.**
